**NELFA PRESS RELEASE: INTERNATIONAL FAMILY EQUALITY DAY MOTTO 2014:
"WELCOMING FAMILY DIVERSITY"!**

**4 May 2014 is International Family Equality Day (IFED)
Motto 2014: Welcoming Family Diversity!**

On May 4, 2014, LGBTQ family organizations from around the world will join together for the third time to increase the international visibility of LGBTQ families.

All over the world, more and more children live in families where one or more of the parents are lesbian, gay, bisexual, trans or queer (LGBTQ). Yet, these «rainbow families» face very different situations. In some countries rainbow families enjoy equal rights and social recognition. In others, for instance some Eastern European, Latin American, Russia and most African and Asian countries, children and parents face direct discrimination and have to live under the threat of violence.

By highlighting the diversity of families, NELFA and its partner organizations aim to raise awareness of politicians and public opinion about the need for equal treatment and recognition for all families. International Family Equality Day (IFED) not only raises awareness of sexual orientation and gender diversity within families, it provides an opportunity for LGBTQ parents and their children to celebrate our families and communities. IFED is also a sign of solidarity between all families: «Together we are strong!»

Families all over the world are invited to celebrate the International Family Equality Day with us on May 4, 2014!

Network of International Family Equality Day (IFED)

As a sign of solidarity and strength and to promote equality for all type of families, the LGBTQ family organizations LGBTQ Parenting Network (Toronto, Canada), Family Equality Council (USA), NELFA and Coalition des familles homoparentales (Montreal, Canada) took the opportunity to establish ongoing international cooperation in areas such as research, visibility and advocacy, and the development of resources and programs for LGBTQ families worldwide.

The IFED Committee is composed of representatives from the various LGBTQ family organizations (Family Equality Council, LGBTQ Parenting Network, Coalition des familles homoparentales , and NELFA). Communication takes place via a mailing list (listserv) and quarterly video conferences, during which cooperation and joint projects are discussed. A website serves as a common platform. It introduces the involved organizations as well as ongoing and completed projects in connection with IFED and provides opportunities for networking.
