

Brussels, 7 September 2015

**NELFA PRESS RELEASE: INTERNATIONAL FAMILY EQUALITY DAY 2016 MOTTO:
“FAMILIES WITHOUT BORDERS”!**

**1 May 2016 is International Family Equality Day (IFED)
This year’s motto: “FAMILIES WITHOUT BORDERS”**

On May 1, 2016, LGBTQ family organizations from around the world will join together for the fifth time to increase the international visibility of LGBTQ families.

All over the world, more and more children grow up in families where one or both of their parents are lesbian, gay, bisexual, trans or queer (LGBTQ). Yet, these “rainbow families” face very different situations. In some countries rainbow families enjoy equal rights and social recognition. In others, for instance some Eastern European, Latin American and most African and Asian countries as well as Russia, children and parents face direct discrimination and have to live under the threat of violence.

By highlighting “FAMILIES WITHOUT BORDERS”, NELFA and its partner organizations aim to raise awareness about the urgent need for recognition of rainbow families moving from one country to another.

«**People move, as do families.**» Yet a legally recognized rainbow family will not necessarily be treated as such when crossing borders. A married Spanish couple with two children might be transformed into two single mothers with no legal ties when moving to Italy. Legally non recognized parents might not get residence and working permits.

We urge states worldwide to respect existing family laws and protect the recognized rainbow families.

We also invite all countries that already recognize rainbow families to join us to celebrate IFED, as a sign of solidarity and visibility of all families, as well as a sign of support for those families who still face discrimination.

The International Family Equality Day (IFED) not only raises awareness of sexual orientation and gender diversity within families, it provides an opportunity for LGBTQ parents and their children to celebrate our families and communities. The IFED is also a sign of solidarity between all families: “Together we are strong!”

Families all over the world are invited to join us in celebrating the International Family Equality Day on 1 May 2016!

IFED Annual Report 2015

In 2015, the IFED was celebrated in 32 countries and 67 cities worldwide. Our annual report introduces the organizations involved in IFED as well as the work done by the IFED Committee, and highlights the activities that were held in the different countries to celebrate this day.

Get Involved

We are happy to announce that this year for the first time, Norway and Sweden will join us. You, too, can hold a local event as part of the International Family Equality Day! Community organizations who wish to participate please contact the IFED Network by email: info@internationalfamilyequalityday.org, or join our IFED Creative Network on Facebook.

Interested? Join us on Facebook: <https://www.facebook.com/groups/500398236747224/>

Network of International Family Equality Day (IFED)

As a sign of solidarity and strength and to promote equality for all types of families, the LGBTQ family organizations LGBTQ Parenting Network (Toronto, Canada), Family Equality Council (USA), NELFA (Europe), Coalition des familles homoparentales (Montreal, Canada), Keshetfamilies (Israel) and Rainbow Families Japan (Japan) have taken the opportunity to establish ongoing international cooperation in areas such as research, visibility and advocacy and the development of resources and programmes for LGBTQ families worldwide.

The IFED Committee is composed of representatives from the various LGBTQ family organizations (Family Equality Council, LGBTQ Parenting Network, Coalition des familles homoparentales, NELFA, Keshetfamilies and Rainbow Families Japan). Communication takes place via a mailing list (listserv) and quarterly video conferences, during which cooperation and joint projects are discussed. A website serves as a common platform. It introduces the involved organizations as well as ongoing and completed projects in connection with IFED and provides opportunities for networking.
